

FINANCE DASHBOARD

PROGRAMME VISION - All Service personnel and their families achieve an appropriately sustainable and stable financial state, according to their circumstances and needs.

POLICY GOAL - Ex-Service personnel and their families achieve financial health and stability and are able to independently manage their financial needs.

THE EX SERVICE COMMUNITY - FACTORS & PROVISION	THE Ex SERVICE COMMUNITY: FACTORS & PROVISION - Understanding and addressing the particular issues pertaining to financial hardship & identifying appropriate measures.			
	Activity/Enabler Veterans & Families' Research Veterans Provision	Performance Indicator MoD, Charities and Financial Support groups all converge on the key issues and routes out of financial hardship. Banks, Building Societies, Credit Providers recognise and offer products tailored for the veterans' community and their families.		
	Outcome / Intermediate Goal	Enabling Activity	Current Delivery Projects	Comment
Identifying & Understanding common financial issues.	Veterans Research	Improving the financial stability of military spouses - RAND Europe.	Many of FiMT's Employment and Health programme projects are inter linked with our Finance programme objectives. FiMT is interested to support projects that get behind the particular experience and factors leading to financial hardship in the ex-Service community and that promote help seeking behaviours.	
Coverage and availability of support provision.	Sector research	AFC Focus On Finance - DSC.	FiMT will be interested to consider projects that review financial support provision and develop improved financial education and tools alongside better life skills knowledge.
